STAT

This will acknowledge with thanks your letter of 2 April 1951 together with the Form 57, addressed to Mr. Jackson, which has been referred to me for reply.

In order to evaluate more fully the possibilities in which we might use your background and capabilities, I would greatly appreciate your completing the enclosed forms and returning them to me at your earliest convenience. As you can see, they are most complete and I realize that filling them out will be a rather time-consuming operation. However, with this information, I will be able to determine all assignment possibilities. The fourth copy of the Personal History Statement may be retained for your own record.

We sincerely appreciate your interest and look forward to hearing from you in the near future.

Very truly yours,
